

### **Lord Caitanya's Sankirtana Movement is Under Attack**

With the advent of the Internet, we are now subjected to a flood of dubious, unchecked, agenda driven misinformation propaganda. Social media allows anyone to broadcast their views worldwide and attract like-minded individuals regardless of how militant or deranged they may be. This is how terrorists, despots, false prophets and those obsessed with conspiracy theories, like Alex Jones, built his *Infowars* empire. Misfits, conditioned by unresolved fear, anger or envy, can only hear what appeals to their emotions. They are incapable of separating fact from fiction. That explains how Alex Jones can get very wealthy serving the paranoid an endless flow of ridiculous conspiracy theories.

### **The Fake News Era**

“Fake News” is now a part of life and exploited for political, commercial and evil purposes. If one does not learn how to evaluate the source, validity and content of what shows up on your screen, it's just a matter of time before you get taken advantage of. Therefore, intelligent individuals check the credibility of the originating source, inconsistencies in the message, and they will ask penetrating questions especially when something sounds amiss. This is how they protect themselves from the endless assault of dubious offers like miracle drugs which promises to fix whatever ails you and special deals that are too good to be

true. People incapable of doing this are either pathetically naïve or have an emotional need to believe they can eat whatever they want, not engage in any exercise and still lose 5lbs a day!

Hate and distrust are such strong reactionary emotions they impede one's ability to think rationally. Some of the devotees tasked to navigate the infancy of the Hare Krishna movement through the dawn of Kali Yuga had difficulty maintaining the high standards Srila Prabhupada taught. Consequently; many new devotees who trusted those individuals got hurt, felt betrayed and cheated. Those unchecked emotions coalesced into a variety of blow-back ISKCON-Bashing organizations.

Only rare people can transcend the impact of being exploited, cheated, humiliated, threatened, taken advantage of or physically assaulted. But advanced souls are astute enough to not allow the weaknesses of a few wrongdoers prejudice their future relationships. They understand that due to our flawed human nature every organization is challenged by the dormant potential for corruption which can strike anyone, anywhere, at any time. Srila Prabhupada made it clear that ISKCON will never be a utopia and for a lot of new devotees that is a challenging hurdle to contend with. Regardless of our residual flaws, Srila Prabhupada said our love for him would be tested by our ability to cooperate and keep his body as ISKCON healthy and prospering. Sober devotees do not become ISKCON-Bashers because a few individuals fell down along the way. They remain in awe and service to those who have dedicated their lives for propagating the glories of the Holy Name despite inevitable challenges, setbacks and sever individual personal shortcomings.

### **Common Symptoms Found in All ISKCON-Bashers**

A palpable example of how unresolved, emotional dysfunction clouds the reasoning of ISKCON-Bashers is evident by the fact that some believe Srila Prabhupada was murdered by his own senior disciples! Somewhere they heard this unfounded rumor and made the mistake of not taking the time to *check the credibility of the originating source, inconsistencies in the message, and ask penetrating questions*. If they earnestly did that, they would discover that the rumor originated from a disturbed individual with a very troubled history, Nico Kuyt, who had his own retaliatory reasons for starting it.

Please be advised that Nico Kuyt (at one time known as Nityananda Das), has published a series of very slanderous books about those who built ISKCON into the largest world-wide dispensary of Lord Caitanya's munificent Sankirtan Movement. It appears that individuals who accept the diatribes in his books are either completely unaware of his 40-year pugnacious history, or have their own personal reasons for promoting what amounts to no more than his own

NOT have been murdered as alleged. That is why there is no lawyer stupid enough to accept anything Nico has vindictively alleged! In a pathetic effort to cover up Nico’s chronic madness, he attempts to obfuscate this embarrassing fact with the following misdirection:

“We are not after court convictions, we are after the restoration of the mission,”-KGBG 774

Translation: We are unable to prove anything, our real agenda is anarchy by **lynch-mob** to destroy **IS-KCON** using **DECEPTION**.

The emotionally unstable are easily manipulated by individuals like Ales Jones and Nico Kuyt. Such folks are so traumatized they have no respect for the greatest privilege every American is entitled to. To be considered “**Innocent UNTIL proven guilty.**” In 2017, Nico updated his evolving poison script to accuse Tamal Krishna Goswami of murdering Srila Prabhupada using *cadmium* to poison him. Nico claims Tamal began this subterfuge in the middle of 1976 but only those completely unaware of how much Srila Prabhupada publicly appreciated and praised Tamal at the very time are gullible enough to believe such poppycock!

### How Time Exposes the P-Con Fraud (Illustrated Chart!)

<http://jagannatha.com/how-time-exposes-the-p-con-fraud/>

### Medical Industry Exposes Poison Conspiracy Fraud

Nico offers absurd speculations in an attempt to explain how Tamal acquired cadmium, found the time to master the perfection of a well-trained chemist to mix it and how he got His Divine Grace to consume it without being discovered! The death blow to Nico’s delusional plot comes from John Hopkins Medical University. **In 2013** they published:

“We already know about the health hazards of heavy metals like lead and mercury, **but we don't know much about what cadmium does to the body.**”

[https://www.hopkinsmedicine.org/news/media/releases/elevated\\_cadmium\\_levels\\_linked\\_to\\_liver\\_disease](https://www.hopkinsmedicine.org/news/media/releases/elevated_cadmium_levels_linked_to_liver_disease)

Nobody who promotes Nico’s venom can reasonably explain how Tamal Krishna Goswami knew in 1977 what the entire world medical industry admits they had little knowledge of 36 years later? This type of rat-dung is exactly what a judge with over 20 years of experience observed after hearing Nico’s “*Sworn In*” testimony:

“No one, least of all this court, likes to hear from **witnesses who only coincidentally tell the truth.**”

(RESPONSE TO APPELLANT'S PETITION FOR WRIT OF SUPERCEDEAS AND REQUEST FOR TEMPORARY STAY, August 31, 1983 p.49, line 10)

### Nico is a Very Troubled soul

Nico has spent his entire adult life writing hundreds of very offensive pages publicly accusing devotees of murder. Now it’s time for the public to learn how Nico’s whole life has been punctuated with numerous conflicts with others

particularly law enforcement. In the early 1970's he was part of ISKCON management, but due to his exploitive tendencies, lusty behavior, and emerging schizophrenia he had to be removed from that service. Narcissists can't stand facing their own serious deficiencies and removing Nico from management where he exploited those under him ignited his fire for revenge! To properly understand how despicable Kuyt is, one has to be willing to read:

**“What You NEED to Know about Nico Kuyt (Illustrated Chart!)**

<https://jagannatha.com/what-to-know-about-nico/>

Shocking evidence of just how selfish Nico Kuyt is comes from his own daughter Sudda Sattva. She watched her father jump from one bed to another procreating progeny he was unwilling to provide basic medical treatment for. Nico engaged his children in his drug paraphernalia activities as free child labor until his wives were able to protect them and escape his brutality. Sutta Sattva felt such a strong responsibility to warn the public about Nico's hallucinogenic cruel dysfunction, she created a website where she published the elaborate details about Nico's obsessed manic behavior. In 2008 Sudda Sattva also confirmed:

**“Nico's grandiose fantasies at the moment revolve around the theories of Srila Prabhupada's poisoning. He dreams that he will be the big shot that solves the case and puts the poisoners in jail. He thinks he is taking on the GBC and that he is a threat to them.”** <http://web.archive.org/web/20080102030936/http://www.nomissionnomercy.com>

No reasonable individual who knows the truth about Nico Kuyt would ever believe anything he says... period. Doing so is tantamount to allowing him to continue to wreak havoc, mayhem, and dysfunction everywhere he goes.

### **What Evidence?**

The poison conspiracy has festered for over 20 years. Like cancer, it has infected those with troubled hearts among the variegated Vaishnava body. There are so many unfounded allegations it is hard to know where to begin exposing them all. Yet when one is no longer bamboozled by Nico's bumptious persona, his house of cards falls in on itself. What follows are just three of the many mendacious claims Nico's extracts from anomalies he relies on to manufacture evidence for a poison conspiracy that never happened.

### **No Whisper Evidence**

Nico completely misrepresents the results reported by the various audio forensic engineers he hired to confirm what he wanted them to endorse. He claims their analysis of inaudible sounds prove malicious behavior, but in fact, the only thing they agreed on was the presence of the single word “poison” which proves absolutely nothing at all. <https://jagannatha.com/no-whisper-evidence/> Nico expunges all the counter evidence he got back from his paid professionals such as: Tom Owens from Owl Investigations reported: “It's NOT poisoning.” <http://jagannatha.com/audio-forensic-tom-owens/>

## Hair Studies are NOT Irrefutable Proof

Dr. Richard Morris did an NAA analysis on insufficient abnormally tiny pieces of Srila Prabhupada hair. Nico locked in Dr. Morris with an agreement that forbid him from communicating with anyone other than himself and then he censored out whatever Dr. Morris said which did not support his intended poison script.

Example: "Do not rule out external contamination!" <http://jagannatha.com/hair-is-not-irrefutable-proof/>

## What Srila Prabhupada Said

One of the strongest arguments people fall for is believing Srila Prabhupada himself said he was being poisoned. Yet the only honest things the "Truth Committee" admitted was: "*He never said, '... They have poisoned me.'*" This mistruth is fully explained in **DECEPTION Excepts: "All Concur: HDG Did NOT say: 'Someone has Poisoned me!'"** <http://jagannatha.com/all-concur-hdg-did-not-say/>

## Who is the Author of this Vaishnava Service Announcement?

As mentioned above, competent-readers will inquire about the credibility of the person who sent you this email before they take it seriously. That applies to this document as well. So in respond to that I provide the following about myself.

## Who Is Mayesvara?: <http://jagannatha.com/who-is-mayesvara-dasa-acbsp/>

When I wrote **DECEPTION** I did not feel it was proper to besmirch Nico so his name is not found in the body of the text anywhere. At that time even I did not realize how obnoxiously narcissistic he is. I naively though he would honor his request for an independently study on the Poison Conspiracy which I did, completely, on my own, at the cost of thousands of dollars, with absolutely NO input from any ISKCON manager at ANY lever. It soon became obvious Nico was not just incompetent, but very disturbed, needs to be on medication and is incapable of admitting/comprehending how intentionally misleading he is. His own daughter confirms that Nico live in a fantasy world where he plays the role of the "Big Shot" hero whose mission in life is to send who he considers evil, the GBC, to jail!

I underestimated Nico's mental illness. Instead of addressing the long list of issues that remained unanswered, or dropping his charade altogether, he just double-downed with more propaganda to keep his dis-fantasy alive in the minds of those who also live in their own altered reality.

It is dangerous to expect a psychotic to behave reasonably. Exemplary Brahmins respond to good instruction, unstable sudras understand consequences but the mentally ill either end up in institutions or jail because they don't understand anything except their own egocentric and often very warped sense of reality. The following comparative matrix has been put together to illustrate the severe juxtaposition between the author of the material I present and Nico's

perverted fantasies. ISKCON-Bashers will no-doubt call me fat-headed for citing my own accomplishments, but that is to be expected from those unwilling to face facts they are incapable of comprehending or too conflicted to address professionally.

The left side of the following comparison illustrate the milestones in my 30-year career as a Certified Computer Programmer/Database Engineer professional. I worked at the Navel Surface Warfare Center in Port Hueneme California and held a Secret Clearance from the Department of Defense which they do not hand out like lollypops. On the right side portrays Nico's despicable character, horrendous failures as a husband/father, purveyor of pornography and his criminal involvement with cocaine, heroin, methamphetamines and fentanyl!

### Compare Authors (Illustrated Chart!)

### Apologies

I apologize for the length of this document and the way it has been dispatched. Nico's material is so prejudicially tinged with absurd opinions and unsubstantiated allegations that only equally militant groups like the Prabhupadanugas, or Tim Lee who has published his obsessive diatribes for over 40 years, are so indiscriminate they are the few who promote Nico's madness. Reputable sources don't respond to anything Nico says and dismiss it as the rambling nonsense of a very deranged individual. So, to attract his own tribe of dysfunctional sycophants, Nico's method is to regularly spam his material to as many devotee email addresses he can acquire via intrigue, bribery, barter, purchase or theft. He apparently offers free digital versions of his tinged literature to those who forward email addresses to him so he can then foist upon the uninformed and innocent his spectacular dystopian nightmare. In this regard Chanakya Pundit advises that in situations like this it is appropriate to pay Nico back in his own coin:

**"We should repay the favors of others by acts of kindness; so also should we return evil for evil in which there is no sin, for *it is necessary to pay a wicked man in his own coin.*"** – Chanakya Niti Sastra 17.2

I gave Nico the honorable chance to come clean when I published DECEPTION. He invited an independent study of the facts to clarify what happened during the last few months in 1977. I provided that study with the expectation that he would either defeat the material I presented, or he would **cease and desist** with all the pretense, nuance, false statements, misleading presentations, and pseudo-science. Those are the tools he uses to express what amounts to nothing more than his own bitter vengeance. Avoiding all the court-worthy evidence that fully disclosures all the fraud he has committed

ਨਿਰਲ ਲਾਘੁਏਵਾਰਾ ਵੇਦਕ ਟਰਾਂਸ...

further proves how empty his contrived conspiracy is. There are several who engage in this type of dysfunction because it eclipses all possibility for a professional and coherent analysis of this most intentionally repugnant rumor. Therefore, due to this reticence, the strategy advised by Chanakya Pundit has been adopted for dealing with the rude, odious behavior engaged in by those who continue to run from these well-established facts.

Suffice it to say there is an avalanche of court-worthy evidence that clearly proves nobody poisoned Srila Prabhupada. That information is readily available for those equipoised enough to read it. A whole library of documents exposing the poison hyperbole is available at: <http://jagannatha.com/index-to-deception-urls/>

This effort is being made for all those still caught in Nico’s Svengali stupor, or anyone who knows someone trapped in that trance. Everyone is encouraged to share this material widely to help expose the terrible fraud behind Nico’s noxiously alleged conspiracy propaganda

Alex Jones enraged the parents of the children who were killed at the Sandy Hook Elementary School massacre so much they took him to court. They won a \$1.5 billion lawsuit intended to impede his ability to cause further distress to others with his outrageous conspiracy propaganda. I invite all devotees who are equally disgusted by Nico’s unchecked malicious slander of Srila Prabhupada, ISKSON, and his senior disciples to contact me. I offer my services freely towards any legal effort designed to put an end to Nico’s reckless and unfounded ugly allegations.

Thank You!
