

Astonishing Ignorant Propaganda Against Edited BGAI!

“...no one will ever buy a re-edited Hemingway book revised to ‘fit his spirit,’”

“No one re-edits Hemingway books and says ... I have captured the essence of Hemingway. That is not the process, even from material view such a book will be rejected” <https://www.facebook.com/groups/680327212716252/permalink/900624377353200/>

This occurs when the discussion slips from reason to emotion.

Seven of Hemingway’s books were re-edited & marketed successfully!

Islands in the Stream “We have had ‘Islands in the Stream,’ the novel he set aside and never finally revised, which became a best seller through a remarkable nostalgia de Hemingway but showed only flashes of the master”
